

## Summer School on Nonlinear Parabolic Equations and Applications

Mathematics Department, Swansea University, 7-11 July 2008

### Programme

|             | SUN 6 July                   | MON 7 July                         | TUE 8 July                          | WED 9 July                                   | THU 10 July                         | FRI 11 July        |
|-------------|------------------------------|------------------------------------|-------------------------------------|----------------------------------------------|-------------------------------------|--------------------|
| 07.30-09.00 |                              | <i>Breakfast</i>                   | <i>Breakfast</i>                    | <i>Breakfast</i>                             | <i>Breakfast</i>                    | <i>Breakfast</i>   |
| 09.30-10.30 |                              | <b>JLV</b> Lecture                 | <b>VG</b> Lecture                   | <b>VG</b> Lecture                            | <b>VG</b> Lecture                   | <b>MF</b> Lecture  |
| 10.30-11.30 |                              | <b>JLV</b> Lecture                 | <b>VG</b> Lecture                   | <b>JLV</b> Lecture                           | <b>JLV</b> Lecture                  | <b>JLV</b> Lecture |
| 11.30-12.00 |                              | <i>Coffee</i><br>Late registration | <i>Coffee</i>                       | <i>Coffee</i>                                | <i>Coffee</i>                       | <i>Coffee</i>      |
| 12.00-13.00 |                              | <b>MF</b> Lecture                  | <b>MF</b> Lecture                   | <b>MF</b> Lecture                            | <b>MF</b> Lecture                   | <b>VG</b> Lecture  |
| 13.00-14.30 |                              | <i>Lunch</i>                       | <i>Lunch</i>                        | <i>Lunch</i>                                 | <i>Lunch</i>                        | <i>Lunch</i>       |
| 14.30-15.30 |                              | <a href="#">JK Survey Lecture</a>  | <a href="#">AB Survey Lecture</a>   | 2.00pm:<br><a href="#">Rhossili Bay trip</a> | <a href="#">CB Survey Lecture</a>   | Departure          |
| 15.30-16.30 |                              | <b>JLV</b> Tutorial                | <b>VG</b> Tutorial                  |                                              | <b>MF</b> Tutorial                  |                    |
| 16.30-17.00 |                              |                                    | <i>Tea</i>                          |                                              | <i>Tea</i>                          |                    |
| 17.00-18.30 | <a href="#">Registration</a> | <i>Reception</i>                   | <a href="#">Short presentations</a> |                                              | <a href="#">Short presentations</a> |                    |
| 19.00       | <i>Dinner</i>                | <i>Dinner</i>                      | <i>Dinner</i>                       |                                              | <i>Special Dinner</i>               |                    |

- Lectures, Tutorials and Short Presentations will be held in the *Mathematics Seminar Room* (room 224 in the Talbot Building, labelled 8.3 on the [campus map](#)). Coffe and tea will be served in the adjacent Mathematics Common Room.
- Breakfasts, lunches and dinners will be served in the *Students Refectory* on the 1st floor of the Fulton House (building 17 on the [campus map](#)). Please, wear your School badge and be ready to display it to the refectory staff.
